DUNCAN'S COMMENTS:

Augusta has been a slowly growing small radio market. It never achieved the growth rate enjoyed by other Southern markets.

I have to pick WBBQ-F as the station I most admire. I do so even though the ratings for the station have dramatically declined since the mid-90's. Until the 90's WBBQ was one of the finest CHR stations in the nation. In the late 80's WBBQ regularly billed over three million dollars. Since then no station in Augusta has billed that amount.
