DUNCAN'S COMMENTS

Jacksonville has been a very good medium-sized radio market as revenues grew seven fold between 1980 and 2000. Viable stations have steadily increased in the last 15 years but the revenue increases have been enough to keep Jacksonville healthy. Note that listening to unlisted stations in this market has always been high.

No station is clearly a standout in Jacksonville. WQIK, WEJZ and WAPE have all been outstanding stations.
